VAUGHAN HEALTH SERVICES GROUP

Vaughan Health Campus of Care (VHCC)

The Vaughan Health Campus of Care was established on November 6, 2007. The VHCC serves as the umbrella corporation, with its primary role begin to coordinate the strategic development of the Vaughan Health Services Group (VHSG) and the establishment of health care services and programs in the City of Vaughan.

Vaughan Health Care Foundation (VHCF)

The VHCF was established on January 16, 2004. The VHCF receives and maintains funds for establishing and/or supporting health care facilities and services in the City of Vaughan. The VHCF will also undertake community engagement with respect to the health care needs of the residents of Vaughan.

Vaughan Community Health Centre (VCHC)

The Vaughan Community Health Centre was established on November 6, 2007. The VCHC provides primary health care, health promotion, illness prevention and community development services to hard to reach groups and populations, and promotes equity in access to health services. It will also assist in forging connections between health services, social services and other community services.

Together, the Vaughan Health Campus of Care, the Vaughan Health Care Foundation and the Vaughan Community Health Centre comprise the **Vaughan Health Services Group (VHSG)**, an integrated family of health service providers that strategically and collegially provides health services to the Vaughan Community.
